RE: Request for Information regarding the WSSC Clinton South Tank Feed Supply Phase I ESA, Prince George's Counties, MD [CEM Project No.: 11-034.002]

Dear Mr. Van Holt:

We are currently contracted by the Washington Suburban Sanitary Commission (WSSC) to review any available data regarding pollution/contamination incidents that may have occurred in the vicinity of the study area located in Prince George's County, Maryland.

Under the Freedom of Information Act, I would like to request any regulatory records published for the properties located within the study area in order to search for any information you may have regarding air, land, or water pollution incidents, including:

- Chemical or Petroleum releases
- Underground Storage Tanks (USTs)
- RCRA Generators
- Asbestos or lead paint information
- CERCLA or Superfund haz-waste sites
- Hazardous or Toxic materials/waste spills
- Clean Air Act, RCRA, TSCA, or SARA violations

The properties in question are summarized in the attached table (Attachment 1).

Thank you very much for your time and consideration. I would appreciate your permission to review this information as soon as possible. If the costs related to this file review will exceed \$25, please contact me. If you have any other questions, please do not hesitate to contact me at our offices at (410)-893-9016 at any time, or you can email me at swicker@cemscience.com.

Best Regards,
